

## Housing and Community Development General Information

**1202 N. Sixth St. | [Click here for map](#) [1]**

**Mission Statement:** To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

Longview's Housing and Community Development (H&CD) Division is comprised of two distinct program areas: the City of Longview Housing Authority (LHA) and Community Development. The Division is charged with developing and submitting Longview's Five Year Consolidated Plan, Five Year Housing Plan, Annual Action Plan Update and Housing Plan Update to the U.S. Department of Housing and Urban Development (HUD). It is through the submission of these documents that the City of Longview receives its annual Community Development Block Grant (CDBG), Home Investment Partnership Act (HOME), Housing Choice Voucher Program (HCVP), Family Self Sufficiency and Shelter Plus Care (S+C) funds. HUD has designated Longview as a Participating Jurisdiction (PJ), which entitles the City to receive annual Entitlement allocations for its CDBG and HOME grant programs. Longview also receives HUD funding to assist 674 low-income families with rental assistance through the Housing Choice Voucher Program (HCVP) (Section 8 Rental Assistance). The Shelter Plus care grant pairs Sabine Valley MHMR and Special Health Resources of East Texas (SHRET) with the LHA to serve the homeless special needs population in Longview. LHA provides the rental assistance component. Sabine Valley and SHRET provide the supportive services component.
